NAAC 'A' GRADE

(Approved by AICTE, New Delhi & Permanently Affiliated to JNTUGV, Vizianagaram)
Recognized under Section 2(f) & 12(B) of the UGC Act, 1956| Accredited by NAAC with 'A' Grade

Dear all,

Greetings of the day!

We are very much delighted to inform you that the Industry Connect Courses are being launched in the Campus by two of our Industry Connects, M/s. Demy Software Solutions and M/s. Vihaan Electrix.

The Industry Connect Courses are as follows:

1. 20ICC01 - Competitive Programming by M/s. Demy Software Solutions
2. 20ICC06 - Battery System Design Engineering by M/s. Vihaan Electrix

We feel privileged to have the Courses from very good companies like the both mentioned above.
Thank you M/s. Demy Software Solutions and M/s. Vihaan Electrix.

Now, all the students who got enrolled for the courses are expected to attend the sessions positively in the allocated venues.

1. 20ICC01 - Competitive Programming - ECE Seminar Hall 10:45 am onwards till 12:30pm.
2. 20ICC06 - Battery System Design Engineering - Room No. 301 9:00am onwards for the full day.

All the very best for all the students! Hope all of you upskill yourself with the help of these courses.

The enrolled list of students and the syllabi of the Courses is also attached herewith. All the Academic Heads are requested to go through the list of students. Also, it is requested to depute a faculty coordinator for both the courses, department wise and kindly make sure that the students are well informed about all the requisites.

Thank you for all the support both from the Institution and the Industry Organizations and hope it continues

Thanks & Regards

V. Usha Rani
Assistant Professor
Department of Electrical & Electronics Engineering
Industry-Institute Engagement Lead
NS Raju Institute of Technology (NSRIT) (A)
Sontyam, Visakhapatnam, Andhra Pradesh.
