Instructions to the candidates

1. The students are required to report to the respective allotted companies on the prescribed date being notified by the institution
2. The students are bound to follow the rules and regulations as mentioned in the academic regulations 2020 and meet the academic compliance
3. Any sort of non-compliance in terms of non-performance in the companies, non-cooperation, irregularity in reporting to the companies, deviation in integration as per the company policy, attendance requirement will invite detention of the students in the FSI program
4. The students are requested to demonstrate utmost professionalism during their tenure in the companies
5. The students are requested to take an undertaking after the briefing session by the institute before joining the companies
